Are you bored on Friday Nights?

Looking to meet others who like to have fun?

Come to THE HANG – we'll make sure you have a good time!

Every Friday Night (from 7-9 pm). We will:

- Learn about your interests and encourage you to share them with others
- Play games (think Across the Board Game Café – only alot less crowded!)
- Make some cool crafts
- Watch funny Youtube videos
- Listen to music
- Enjoy a few snacks
- Help you learn how to develop friendships that last
- Most importantly – WE'LL HAVE FUN!!!!!!

This group is designed for teens who want to connect with other teens. We provide some structured activities that are geared toward your personal interests, and anticipate that you will meet other teens who are like-minded. We will poll group members at the beginning about the games and activities that each member likes and try to accommodate each member's needs at some point during the six-week group. Once you meet up with others at THE HANG, you can plan your own meet-ups with the people you connect with.

The group is especially valuable for teens who are a little shy and have difficulty initiating contact with others. We will help you overcome that fear, and facilitate interactions between group members. Both males and females are invited to participate.

Once we become familiar with each member's needs through the individual session, we will try to plan for appealing activities. In the first weeks, a Clinical Psychologist will be one of the facilitators of the group, so that coaching in areas of weakness can occur as needed. Then members will practice the skills through fun games and activities.

TIMES and DATES

In order to understand the unique needs of your child, we would like to meet with you and one of your parents before the group begins. This session is designed to better understand some of your hobbies, interest, and what you would like to get out of the group. The session will be arranged prior to the group.

All groups will take place on Friday nights from 7:00 – 9:00 pm. Although you can register for multiple sessions, when you register, you must sign up for the six consecutive nights of each session. If you find that the group is not to your liking after the first two evenings, a partial refund will be offered.

COST: The group will cost **\$390.00** for the six sessions. Three sessions will be considered Group Therapy, as a Clinical Psychologist will be in attendance. These sessions will be billed at Group Therapy at **\$110.00** each (**\$330.00** total). The other three evenings will be run by Counselors and will be billed at **\$20.00** per session. The Individual Session with Parents will be billed at our hourly rate - **\$190.00** (this session can be billed to either parent or child).

SESSION #1:
September 27, October 4, 11, 18, 25,
November 1, 2019
